

**Help our City get rid of E-Waste and help the
Chula Vista Police Activities League at the same time !**

- Electronic discards are one the fastest growing segments of our nation's waste stream.
- 56% of American households have functional e-products that they will no longer use.
- Less than 10% of e-waste is currently being properly dismantled or recycled.
- 70% of heavy metals, 40% of lead and mercury contents found in today's landfills come from e-waste.
